Subject: IDB

Managment approached the court asking to delay his ruling till an agreement with IDB Holdings' debt holders will be reached.
Their investor will deposit $25 million in escrow now and an additional $50 million after court approval of the new deal.
They also commit to raise NIS 400 million into IDB Development by the end of the year and an additional NIS 400 million in 2014.
NIS 400 million is about $110 million.
We will know more tomorrow.
